35 ▼ Sadly, this photo is accurate. Even worse, we've allowed it for years.

35 ▼ I'd say decades. The Kennedy election in 1960 was won with Illinois fraud, mostly Chicago based.

permalink parent save report block reply

▲ **fclampazzo** 1 months ago +21 / -0

21 ▼ And look where Illinois went as a state. It's a total shithole (politically) now.

permalink parent save report block reply

▲ **nozonozo** 1 months ago +17 / -0

17 ▼ It's a harbinger of what happens when you let fraud go unchecked.

▲ **PurestEvil** 1 months ago +4 / -0

4 ▼ Weird, I thought the people who commit election fraud are the good guys... how comes criminal scum turn out to be bad after all?

2 ▼ Chicago is a shithole. Most of the people in the rest of the state are patriots. Unfortunately, there aren't enough of us to overcome the fraudulent votes from Chicago and East St. Louis.

Be prepared getting into Washington Monument which is where gathering is. City blocks blocked for foot traffic only.

[permalink](#) [save](#) [report](#) [block](#) [reply](#)▲ [tombombadil](#) 1 months ago +16 / -0

16

It is not hard to walk to the Washington Monument or the ellipse from the roads that are open. You [could](#) even wheelchair it if need be. They close these same roads and put up the same barriers any time  is a major gathering at the National Mall.

Same because this is bigger than Trump or even America. The last bastion of western values and freedom is on the line. Western Europe is too far gone and the less said about my native New Zealand the better. Been on a YouTube WW2 spree and it makes me sad how many young men died to preserve these values only for a generation or two to destroy it.

If you're talking about this video:

I got dogpiled for posting that (rightfully so) because I guess it's an old video and didn't take place ...

These patriots need to decide NOW.

Do they want capitalism and freedom, liberty and democracy

Or do they want COMMUNISM, police state and famine!
